

ANEMONE

'PRETTY LADY MARIA'

***Anemone hupehensis* 'Pretty Lady Diana' USPP#26093**

Sun-loving flowers are over 2 inches (5cm) in size with single or double flower forms in autumn. Very floriferous! Habits are compact, unlike other hupehensis selections. From Yoshihiro Kanazawa.

USES & ATTRIBUTES: Front border, containers. Attracts butterflies and bees. Deer-resistant.
